16. The Returning Officer shall appoint one polling station for each polling area and shall appoint one or more polling officers for each polling station

He may also, if necessary, appoint one or more identifying officers to assist the polling officer in identifying the electors.

Provided that in the case of elections by members of the local body or local bodies having jurisdiction over the notified area from among themselves the poll shall be taken by an officer (hereinafter called the polling officer) deputed by the Returning Officer at such place or places as the Returning Officer may appoint and every place so appointed shall be a polling station for the purposes of these rules.

17. If after the taking of a poll has become necessary and before the poll is taken, a candidate who has been duly nominated dies, the Election Authority shall, upon being satisfied of the fact of the death of the candidate, countermand the poll; and election proceedings shall be started afresh in all respects as if for a new election.

Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermanding of the poll.

Polling

18 The polling officer shall keep order at the station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time and shall exclude all other persons except his own clerks, the candidates, one agent of each candidate at a time (hereinafter referred to as the polling agent) appointed in writing by the candidate, the police on duty and such persons as may be admitted for the purpose of identifying the electors.

19 The ballot box shall be so constructed that the ballot papers can be introduced therein but cannot be withdrawn therefrom without the box being unlocked. Just before the commencement of the poll, the polling officer shall show the ballot box empty to such person as may be present at the polling station and shall then lock it up and place a seal upon it in such manner as to prevent its being opened without breaking such seal and place it in his view for the receipt of ballot papers and keep it so locked and sealed. The key of the ballot box shall also be placed under seal.

20 The Returning Officer shall provide for each polling officer such number of clerks as may be necessary and shall supply him with a copy of the electoral roll, a list of the nominations, ballot papers and boxes, and such other papers, stationery and items as may be necessary.

21 Ballot papers shall be printed in Form IV. They shall be serially numbered, the number being printed on the face of the counterfoil and on the back of the untearful. They may be printed either in English or in the chief language of the place of election or in both and the names of the candidates shall be entered on them in the order of the alphabet of the language in which the names are first printed. If there are two candidates of the same name, they shall be distinguished by the addition of their occupation or in some other suitable way.

22 Immediately before a ballot paper—that is, the untearful of Form IV—is handed over to the elector, the polling officer shall—

(i) initial it on the back,

(ii) enter the elector's name and number in the electoral roll on the corresponding counterfoil of Form IV, and

(iii) affix his initials against the elector's name in the electoral roll.

The polling officer shall then tell the elector how many votes may be given and shall give him the ballot paper.

23 The elector on receiving the ballot paper shall forthwith proceed to the place set apart for the purpose and there make a mark against the name of the candidate or candidates for whom he intends to vote. He shall then fold up the ballot paper so as to conceal his vote and after showing to the polling officer his (polling officer's) initials thereon put it into the ballot box.

24. (1) If any elector is unable to read the ballot paper or make a mark thereon and applies for assistance, the polling officer shall read the ballot paper to the elector and, if so required by him, mark the ballot paper at the polling officer's table and in the presence of the candidates or their polling agents, if any, according to the directions of the elector and give it to him to be put in the ballot box. The candidates and polling agents present shall have a right to have the elector's request and to watch the polling officer when he marks the ballot paper.

(2) In the case of every elector whose ballot paper is marked in this manner by the polling officer, a note shall be made on the corresponding counterfoil in Form IV by the polling officer of the reason why it was so marked.

(3) The marking of a ballot paper by the polling officer under sub-rule (1) shall not be questioned subsequently on the ground that it was not in accordance with the elector's directions.

25 Special facilities in accordance with the instructions, if any, issued by the Election Authority in that behalf may be accorded to women electors.

26. (1) Any ballot paper which is not duly marked or on which votes are given to more candidates than there are members to be elected or on which any mark is made by which the elector may afterwards be identified shall be invalid.

(2) If more than one mark is placed against any candidate's name, they shall count only as one vote in his favour, provided that the elector has not placed marks against more candidates than there are members to be elected.

(3) If any one of the marks is so placed as to render it doubtful for which candidate such mark is intended to apply, the vote concerned, but not the whole ballot paper in case where more than one vote can be given on the same ballot paper, shall be invalid, provided that the elector has not placed marks against more candidates than there are members to be elected.

27. When a person presents himself to vote, and at any time before a ballot paper is supplied to him, the polling officer may, of his own accord, and shall, if so required by a candidate or polling agent, put to such person any or all of the following questions:—

(i) Are you the person enrolled as follows (reading the whole entry from the roll)?

(ii) Have you already voted at the present election in this polling station or in any other polling station?

(iii) (At the elections held for the constituency of persons licensed under section 4 of the Act and of registered buyers, sellers, and buyers and sellers) —Is your license / registration in force to-day? and

(iv) (At the election held for the constituency of local body or local bodies)—Are you to-day a member of the local body (reading the name of the local body)?

and the person shall not be supplied with a ballot paper unless he gives an unqualified answer to the question or questions put to him and unless he answers the first question in the affirmative, the second question in the negative, and at an election mentioned in clause (iii) or (iv) the third or, as the case may be, the fourth question, in the affirmative. Except as mentioned herein every person whose name is found on the electoral roll shall be entitled to be supplied with a ballot paper.

28. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall after duly answering such questions as the polling officer may ask be entitled to mark the ballot paper in the same manner as any other elector. The ballot paper (hereinafter referred to as a tendered ballot paper) shall, instead of being put into the ballot box, be given to the polling officer, and endorsed by him with the name of the elector and his number on the electoral roll and set aside in a separate packet and in not to be counted by the Returning Officer. The name of the elector and his number on the electoral roll and the name or distinctive number of the polling station shall be entered in a list in Form V which shall bear the heading 'Tendered Votes List.' The person tendering such ballot paper shall sign his name and address on the list or affix his thumb impression thereto.

Explanation.—In cases falling under this rule to which rule 29 is also applicable, the provisions of this rule as well as of rule 29 shall be followed.

29. If any candidate or polling agent declares and undertakes to prove that any person by applying for a ballot paper has committed the offence of personation, the polling officer may require such person to enter in the list of challenged votes, which shall be in Form VI, his name and address and, if he is unable to write, to affix his thumb impression thereto and may further require such person to produce evidence of identification. If such person on being questioned in the manner prescribed in rule 27 gives unqualified answers to the first question in the affirmative and to the second in the negative, he shall be allowed to vote after he has been informed of the penalty for personation. The polling officer shall make a note of the circumstances and of his decision in the list of challenged votes.

30. An elector who has inadvertently dealt with his ballot paper in such a manner that it cannot be conveniently used as a ballot paper may, on delivering it to the polling officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt one, which together with its counterfoil shall be marked as cancelled by the polling officer.

31. (1) Immediately after the close of the poll, the polling officer shall, in the presence of such of the candidates and their polling agents as may be in attendance, make up into separate packets and seal with his own seal and the seals of such candidates or polling agents as may desire to affix their seals—

(*a*) each ballot box in use at his station unopened;

(*b*) the keys of such boxes;

(*c*) the unused and spoilt ballot papers, both ordinary and tendered, with their counterfoils;

(*d*) the tendered ballot papers;

(*e*) the marked copies of the electoral roll and the counterfoils of ballot papers;

(*f*) tendered votes list, and

(*g*) the list of challenged votes.

(2) The packets shall be forwarded at once by the polling officer to the Returning Officer accompanied by a statement in Form VII. Each packet shall be numbered and shall bear a note as to its contents.

32. On the day and at the place and hour appointed for the counting of votes, and in the presence of such candidates and their agents as may be in attendance the Returning Officer shall proceed as follows:—

(*a*) The ballot box or boxes relating to each polling station shall be opened one after another; and the Returning Officer shall take out the papers therefrom, count them or cause them to be counted and record the number thereof in a statement in Form VIII.

(*b*) The Returning Officer shall then mix together all the ballot papers of all the ballot boxes. The examination and counting of the votes shall then commence. The Returning Officer shall on every ballot paper which is wholly or partially rejected endorse the word 'Rejected'. If any candidate or agent present questions the correctness of the rejection, the Returning Officer shall also record on the ballot paper the grounds for the rejection briefly.

(*c*) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes and shall, during any necessary intervals during which the counting has to be suspended place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or their agents as may desire to affix them; and adequate precaution shall be taken for their custody.

33. (1) After the Returning Officer has completed the scrutiny and counting of votes he shall prepare a return of the results of the polling in Form IX, and after verifying the totals of the votes with the figures in Forms VII and VIII shall, subject to the provisions of rule 36, declare that the candidate or candidates to whom most valid votes have been given, has or have been duly elected.

(2) Any candidate or his agent shall, on application, be permitted to take a copy or an extract from the return in Form IX.

34. The Returning Officer shall not open the sealed packets containing the tendered ballot papers or the marked copies of the electoral roll or the counterfoils of the ballot papers.

35. Upon the completion of the counting and the declaration of the results, the Returning Officer shall seal up in separate packets—

(1) the ballot papers all or some of the votes on which have been counted; and

(2) the ballot papers, all the votes on which have been rejected,

and shall mark on each packet the number of papers it contains. A note shall be made giving a description of the contents of each packet and the election to which it relates.

Disposal of ballot papers.

36. (1) The Returning Officer shall, after declaring the results, forward a copy of the return to the Election Authority and shall retain in his custody the packets of ballot papers, whether counted, rejected or tendered, and of the counterfoils thereof. These packets shall not be opened and their contents shall not be inspected or produced except under the orders of the Election Authority.

(2) The Returning Officer shall retain the packets and the marked copies of the electoral roll for a year and shall then unless otherwise directed by the Election Authority, cause them to be destroyed.

General.

37. If there is an equality of votes between any two or more candidates, the Returning Officer shall, after notice to the candidates concerned, decide by drawing lots which candidate or candidates he shall declare to have been elected.

38. The name or names of the candidate or candidates duly elected shall be published in the office of the Returning Officer and in the office of the Market Committee.

39. (1) If any question arises as to the interpretation of these rules, the question shall be referred to the Election Authority, whose decision shall be final.

(2) Pending the decision of the Election Authority on any such reference or the issue of final orders on any inquiry which the Election Authority may institute upon receipt of information that an election is being or about to be held in contravention of these rules, it shall be lawful for the Election Authority to direct the stay of the election proceeding at any stage thereof prior to the declaration of the results. Any election held or continued in contravention of the orders of the Election Authority under this rule shall be void and of no effect whatsoever.

(3) Unless it is otherwise ordered by the Election Authority, election proceedings stayed under this rule shall, on cancellation of the stay order, proceed from the stage at which they were stayed on fresh dates to be fixed.

Supersession of panchayat boards.

THIRUVATHIPURAM PANCHAYAT BOARD.

Whereas in the opinion of the Inspector of Municipal Councils and Local Boards the Thiruvathipuram Panchayat Board in the Cheyyar taluk of North Arcot district has not taken any steps to note the chronic state of the panchayat board office or the huge arrears due from the contractors, or the unsatisfactory collection work relating to house tax or even the irregularity in the departmental execution of minor works and much less to check the above defects and irregularities, and is practically indifferent to the efficient administration of the panchayat board and has thus proved that it is, as at present constituted, incompetent to perform the duties imposed on it by law;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 45-A of the Madras Local Boards Act, the Inspector of Municipal Councils and Local Boards hereby directs that the said Thiruvathipuram Panchayat Board shall be superseded for a period of one year with effect from the date of publication of this notification in the *Fort St. George Gazette*.

DENDULUR PANCHAYAT BOARD

Whereas the Dendulur Panchayat Board in Ellore taluk, West Godavari district, is in the opinion of the Inspector of Municipal Councils and Local Boards incompetent to perform the duties imposed on it by law;

Now therefore, in exercise of the powers delegated to him by the Government of Madras under section 233 of the Madras Local Boards Act, 1920 and in virtue of the powers conferred under section 45 A of the said Act, the Inspector of Municipal Councils and Local Boards hereby directs that the said Dendulur Panchayat Board shall be superseded for a period of one year with effect from the date of publication of the notification in the *Fort St. George Gazette*.

GOVERNMENT OF INDIA.

LEGISLATIVE ASSEMBLY DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 22nd November 1940 —

L.A. BILL No. 53 OF 1940.

A Bill further to amend the Land Acquisition Act, 1894.

WHEREAS it is expedient further to amend the Land Acquisition Act, 1894; I of 1894.

AND WHEREAS for this purpose it is expedient to extend definitions in the scope of the Court having jurisdiction to perform the functions of the Court under the Act; It is hereby enacted as follows —

1. (1) This Act may be called the Land Acquisition (Amendment) Act, 1940. Short title, extent and commencement.

(2) It extends to the whole of British India.

(3) It shall come into force on such day as the Governor General in Council may, by notification, appoint.

Amendment of section 3, Act I of 1894.

2 In clause (d) of section 3 of the Land Acquisition Act, 1894,— I of 1894.

(i) after the word "jurisdiction" the following words shall be inserted, namely:—"or the Court of a First Class Sub-Judge in the Bombay Presidency or the Court of a Sub-Judge exercising similar jurisdiction in other Presidencies", and

(ii) for the word "unless" the word "or" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to invest directly under the Act Courts other than a principal Civil Court of original jurisdiction to perform the functions of the Court under the Act. As, at present, a Court of a First Class Judge having unlimited pecuniary jurisdiction and Subordinate Judges having similar jurisdiction have no power to exercise functions under the Act unless the Local Government especially appoints them to do so. The present procedure is both inconvenient and dilatory. When the Land Acquisition Act was enacted suits by or against the Secretary of State were heard by the District Courts only in the Bombay Presidency under section 32 of Bombay Act XIV of 1869. This section has now been amended empowering the First Class Subordinate Judges to hear cases of any value instituted by or against the Secretary of State. There is no reason one why First Class Sub-Judges in the Bombay Presidency and Courts of equivalent jurisdiction elsewhere, should not have the powers to hear references under the Land Acquisition Act, several of which do not involve large amounts. References under section 30 of the Land Acquisition Act for apportionment of compensation are fought out between private persons claiming the land and compensation thereof and Government is merely a *pro forma* party. It is true that the definition of Court sought to be amended empowers the Local Government to appoint special judicial officers within any specified local limit to perform the functions under the Act, but this is not generally done. Apart from that, this procedure, even if adopted, would cause lot of inconvenience and delay in the disposal of the references under the Act; at times, owing to the transfers of judicial officers. Time has now come when the definition itself might well be amended as proposed by this Bill.

The following Bill was introduced in the Legislative Assembly on the 22nd November 1940 :—

L.A. BILL No 54 OF 1940.

A Bill further to amend the Specific Relief Act, 1877.

1 of 1877. WHEREAS it is expedient further to amend the Specific Relief Act, 1877, for a certain purpose; It is hereby enacted as follows,—

Short title. 1. This Act may be called the Specific Relief (Amendment) Act, 1940.

Amendment of section 45 in Pt. Act I of 1877. 1 of 1877. 2. In section 45 of the Specific Relief Act, 1877 (hereinafter referred to as the said Act),—

(*a*) after the words "Any of the High Courts of Judicature at Fort William, Madras and Bombay and Rangoon" the words "and the Court of the Judicial Commissioner in Sind" be added,

(*b*) for the words "within the local limits of its ordinary original civil jurisdiction" the words "within limits of its appellate civil jurisdiction," shall be substituted;

(*c*) in other clauses of section 45 and in sections 46 to 51 wherever the word "High" appears the word "Such" be substituted;

(*d*) in clause (*f*) of the proviso, for the words occurring after the words "On the Governor General in Council" the words "or the Governor in Council of any Governor's Province in British India" shall be substituted.

Amendment of section 48, Act I of 1877. 3. In section 48 of the said Act, for the word "ordinary" the word "appellate" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

In view of the growing importance of Sind necessity of the exercise of power contained in section 45 of the Specific Relief Act, 1877, by the highest Court in Sind has been authoritatively declared. Cases often occur in Sind calling for the issue of Writs of the nature of Mandamus. The public opinion is strongly in favour of the powers of the nature contained in section 45 being invested in the Judicial Commissioner of Sind's Court which has been exercising ordinary powers of a High Court.

The following Bill was introduced in the Legislative Assembly on the 22nd November 1940 :—

L. A. BILL No. 55 OF 1940.

A Bill to provide for Judicial Separation and Divorce amongst the Hindus.

WHEREAS it is expedient to provide for judicial separation and divorce amongst the Hindus under certain circumstances; It is hereby enacted as follows :—

Short title, extent and commencement.

1. (*1*) This Act may be called the Hindu Judicial Separation and Divorce Act, 194 .

(*2*) It shall apply to the whole of British India.

(*3*) It shall come into force on the . . . day of . . . . . 194 . . .

Grounds for claiming separate residence by wife or husband.

2. Notwithstanding any law or custom to the contrary, a Hindu wife or husband shall be entitled to claim separate residence from the married partner, and may bring a suit for the same in a court of law on one or more of the following grounds, viz :

(*1*) if the husband or wife is suffering from any loathsome disease, leprosy, venereal disease;

(*2*) if the husband or wife is an incurable lunatic;

(*3*) if the husband or wife turns a recluse or changes religion;

(*4*) if the husband or wife commits adultery

Grounds for claiming separate residence and maintenance by wife.

3. A wife may claim separate residence and maintenance from her husband—

(*1*) if the husband marries again;

(*2*) if the husband is guilty of cruelty towards her;

(*3*) if the husband deserts her.

Jurisdiction.

4. Every suit under this Act shall be instituted in the civil court within whose jurisdiction the wife ordinarily resides.

Maintenance.

5 The amount of maintenance given by the courts shall not be less than one-fifth of the income of the husband.

Custody of the children.

6 The custody, maintenance and education of the children shall be as the courts may decide

Divorce.

7 The court may grant a decree of dissolution of marriage two years after the decree of judicial separation.

STATEMENT OF OBJECTS AND REASONS.

The institution of marriage as interpreted and practised to-day amongst the Hindus is very unfair to the wife and gives all the advantages to the husband.

The conscience of the Hindu community is very much stirred against this injustice to Hindu wives, as was seen in the recent discussion on the Bill to give Hindu women the right to divorce, and the public opinion collected on the Bill.

The present Bill removes some of the inequalities and puts the institution of Hindu marriage on a more natural and healthy basis

The following Bill was introduced in the Legislature Assembly on the 22nd November 1940:—

L.A. BILL No. 56 OF 1940

A Bill to give Hindu married women a right to separate residence and maintenance under certain circumstances.

Whereas it is expedient to provide for separate residence and maintenance under certain circumstances to the case of married Hindu women, It is hereby enacted as follows :—

Short title, extent and commencement.

1. (*1*) This Act may be called the Hindu Married Women's Right to Separate Residence and Maintenance Act, 194 .

(*2*) It shall apply to the whole of British India.

(*3*) It shall come into force on the day of 194 .

Grounds for claiming separate residence and maintenance.

2. Notwithstanding any custom or law to the contrary a married Hindu woman shall be entitled to claim separate residence and maintenance from her husband on one or more of the following grounds, viz :—

(*1*) If the husband is suffering from leprosy, or any loathsome disease,

(*2*) If the husband is suffering from venereal disease;

(*3*) If the husband is an incurably lunatic;

(*4*) If the husband is guilty of cruelty towards her;

(*5*) If the husband deserts her,

(*6*) If the husband marries again,

(*7*) If the husband turns a recluse or changes his religion.

Jurisdiction.

3. Every suit under this Act shall be instituted in the civil court within whose jurisdiction the husband and wife ordinarily reside

Amount of maintenance.

4. The amount of maintenance given by the courts to the wife shall not be less than one-fifth of the income of the husband.

Custody of the children.

5. The custody, maintenance and education of the children shall be as the courts decide.

STATEMENT OF OBJECTS AND REASONS

1. Even with regard to elementary rights of human beings, the position of a Hindu married woman is deplorable. This Bill intends to give her the right of separate residence and maintenance under unbearable conditions

2 As to giving a Hindu wife the right of divorce there might be some slight differences of opinion in the Central Assembly, but as regards the right to give her separate residence and maintenance under certain inhuman conditions there was no difference of opinion. The House was unanimous in giving a Hindu wife this right. Accordingly a Committee was appointed by the Central Assembly, but unfortunately the Committee could not meet.

3. The Bill merely proposes to carry out what was unanimously agreed to in the Central Assembly.

The following Report of the Select Committee on the Bill to amend the Excess Profits Tax Act, 1940, was presented to the Legislative Assembly on the 25th November 1940:—

WE, the undersigned, members of the Select Committee to which the Bill to amend the Excess Profits Tax Act, 1940, was referred have considered the Bill and have now the honour to submit this our Report with the Bill as amended by us annexed thereto.

Clause 3.—The addition made provides for the case where under the proviso to sub-section (1) of section 14 of, the Act the Excess Profits Tax Officer has extended the time allowed under sub-section (*d*) for the delivery of the return referred to in that sub-section.

In connexion with this clause we considered whether the scope of section 26 of the Act was in any way narrowed by the limiting words contained in section 6 (*d*), namely, "were less than eight of the beginning of that period have been reasonably expected." We are satisfied that an application to the Central Board of Revenue under section 26 is competent whether or not an application has been made to the Board of Referees under section 6 (*d*), and we are further satisfied that the Central Board of Revenue in the exercise of its functions under section 26 is not bound by the limitations imposed on the Board of Referees by the terms of section 6 (*d*).

Clause 4 (a).—The alteration made in the new sub-section which this clause adds to section 8 of the Act is intended to secure a right of appeal to the Board of Referees not only against modifications made by the Excess Profits Tax Officer to which the person carrying on the business objects but also against a refusal by an Excess Profits Tax Officer to make any modifications.

Clause 5.—The first amendment is a minor drafting change only.

In the new sub-section (*d*) added to section 26 of the Act by this clause we have inserted an amendment on the lines of that already noted on under clause 3 and made in clause 10, and we have extended the time allowed for presentation of an application under the sub-section to the Excess Profits Tax Officer.

Clause 9.—The first change made merely provides for a necessary consequential amendment of the Act which the Bill failed to include.

In the new rule 11 added to the First Schedule to the Act, we have extended the time allowed for appeal to the Board of Referees.

We are satisfied that this new rule does not apply to bad and doubtful debts and we have been assured that instructions will be issued by the Central Board of Revenue to secure that the attention of officers working the Act is called to this fact.

2. The Bill was published in the *Gazette of India*, dated the 16th November 1940.

3. We think that the Bill has not been so altered as to require republication, and we recommend that it be passed as now amended.

NOTE.

There exists at present a tendency to spend large sums of money in extravagant buildings, decorations and unnecessary equipments with the object of showing lower profits. In the assessment of excess profits tax unnecessary expenditure of extravagant nature should be excluded, and provision to this effect should be made in the Act.

For the removal of doubts, it is hereby declared that a second appeal shall lie within three months to the Board of Revenue against the order of a District Collector confirming on appeal an order removing a village-officer, under the proviso to sub section (3) of section 16 of the Madras Proprietary Estates' Village-service Act, 1894, as amended by this Act, or as the case may be, under the proviso to sub-section (1) of section 23 of the Madras Hereditary Village-offices Act, 1895, as so amended, notwithstanding that the appellate order of the District Collector or the original order of the Revenue officer or the Collector, as the case may be, was passed before the commencement of this Act.

Madras Act II of 1894.

Madras Act III of 1895.

STATEMENT OF OBJECTS AND REASONS.

Neither the Madras Proprietary Estates' Village-service Act, 1894 (Madras Act II of 1894) nor the Madras Hereditary Village-offices Act, 1895 (Madras Act III of 1895), disqualifies a person who is not solvent from being appointed to any of the hereditary village offices governed by those Acts. The appointment of such a person as a village headman or karnam is obviously undesirable, involving as it does risk to Government's revenues. If he misappropriates Government money passing through his hands, there would be no possibility of recovering the money. Moreover, a village headman or karnam who is not solvent cannot be expected to command the confidence and respect of the villagers. It is therefore considered necessary both to make solvency a condition precedent to appointment to the offices mentioned above and also to make it clear that the officers may be suspended or removed if they cease to be solvent subsequent to their appointment.

2. Section 16 (3) of Madras Act II of 1894 and section 23 (1) of Madras Act III of 1895 provide for a second appeal to the Board of Revenue against orders dismissing headmen, karnams or talaiyaris in proprietary estates and headmen or karnams in ryotwari areas but not against orders removing them from office. There is little difference in ultimate effect between orders of dismissal and removal. It has therefore been decided to amend section 16 (3) of Madras Act II of 1894 and section 23 (1) of Madras Act III of 1895 so as to provide for second appeals to the Board of Revenue against orders of removal also.

3. The opportunity has been taken to make it quite clear that the power conferred on the Revenue-officer in charge of the division to approve of appointments submitted to him by the proprietor under the first paragraph of section 12 or of section 13 of Madras Act II of 1894, covers disapproval of an appointment not only on the grounds specified in section 10 (1) but also on the general ground of unsuitability for the office. The need for a clarification of the intention underlying the Act in regard to this matter was recently pointed out by the High Court.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government, Legal Department.

The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. Notice is hereby given that the said Bill will be considered on or after the 17th January 1941 and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Local Administration Department, will be considered.

A Bill further to amend the Madras District Municipalities Act, 1920.

Madras Act V of 1920.

WHEREAS it is expedient further to amend the Madras District Municipalities Act, 1920, for the purpose hereinafter appearing;

26 Geo. 5, Ch. 2.

AND WHEREAS the Governor of Madras has, by a Proclamation under section 93 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature;

NOW, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

1. This Act may be called the Madras District Municipalities (Amendment) Act, 1941. Short title.

Madras Act V of 1920.

2. After section 68 of the Madras District Municipalities Act, 1920 (hereinafter referred to as the said Act), the following section shall be inserted, namely:— Insertion of new section 68 A in Madras Act V of 1920.

"68-A. The power conferred by section 68 to make or sanction contracts shall be subject to such rules as may be prescribed in regard to the conditions on which, and the mode in which, contracts may be made or sanctioned by or on behalf of municipal councils." Rules regarding the conditions on which contracts may be made.

3. In sub-section (2) of section 69 of the said Act, for the words "in conformity with the provisions of this and the last preceding section", the following shall be substituted, namely:— Amendment of section 69, Madras Act V of 1920.

"in conformity with the provisions of this section, of section 68, and of the rules referred to in section 68-A".

STATEMENT OF OBJECTS AND REASONS.

Under sub-section (1) of section 68 of the Madras District Municipalities Act, 1920, the power of making, on behalf of municipalities, any contract of which the value or amount does not exceed 1,000 rupees, vests in the contract committee in the case of municipalities having a commissioner, and in other cases in the chairman or a committee of councillors to whom the power is delegated by the municipal council. Under sub section (2) of the same section, the power of sanctioning contracts of which the value or amount exceeds 1,000 rupees vests in the municipal council. Thus a municipal council is competent to enter into contracts without reference to any outside authority however high the value or amount of the contract may be. This position is unsatisfactory as there is no provision for the Government or any other authority satisfying itself that contracts involving large amounts have been entered into properly and in the best interests of the municipality. It is very necessary that the Government should have some voice in the settlement of contracts over important municipal works towards the cost of which they contribute.

2. The Madras Local Boards Act gives power to the Government to frame rules as to the conditions on which and the mode in which contracts may be made by or on behalf of local boards. In exercise of this power, the Government have made rules regulating the invitation and acceptance of tenders for contracts in respect of local board works. The rules also provide that in the case of capital works the estimated cost of which exceeds 20,000 rupees, the tenders should be submitted to the Government for final orders and that cases of lesser value should be sent up to the Government if it is not proposed to accept the lowest tender. These provisions have in practice been found to be very effective in the case of district boards in ensuring that contracts are entered into properly and in the best interests of the boards. The object of this Bill is to confer on the Government the same power to make rules regarding the conditions on which and the mode in which contracts may be made by or on behalf of municipal councils which they have in the case of local boards. New section 68-A inserted by clause 2 of the Bill provides for this object. Clause 3 makes a consequential amendment in sub-section (2) of section 69.
